The annual lakefront Wheels and Heels 5k Run, Walk & Roll held each July is the Chapter's only Fundraising Activity. Corporations and businesses with some connection to persons with spinal cord injuries are solicited as run sponsors. There are no membership dues to belong to NSCIA/SWC. Typically our membership is solicited for an optional donation once a year. We receive gifts through workplace giving programs managed by United Way and Community Health Charities. The Federal IRS has recognized our organization as tax-exempt under Internal Revenue Code (IRC) Section 501(c)3. We are registered with the Wisconsin Department of Financial Institutions as a Charitable Organization, license # 957-800. Copies of our Annual Report are available to the public upon request.
